Dear Patient:

**Beginning January 1, 2023**, all patients receiving prescriptions from a provider at Community Outreach Medical Center (COMC) will have their **prescription(s) automatically sent to our in-house pharmacy, Complete Care Pharmacy**. Complete Care Pharmacy is conveniently located down the hall from our medical wing, on the 2<sup>nd</sup> floor of COMC. This process is hassle free and requires no effort on your part; you will be automatically enrolled. The major benefit of this automatic enrollment is that you will be able to pick up your prescription within minutes, directly after your visit.

If you would like to opt-out of this process and fill your prescriptions at another pharmacy, please request an opt-out form from the front desk staff.

Looking forward to serving you in the New Year!
